B. Needs and Uses

This justification supports an extension of the expiration date of OMB Control No. 9000-0184. This clearance covers the information that contractors must submit to comply with FAR clause 52.225-26, Contractors Performing Private Security Functions Outside the United States. When contract performance is required outside the United States in an area of combat operations or significant military operations, this clause requires contractors to ensure employees performing private security functions under the contract comply with 32 CFR part 159, and any orders, directives, or instructions that are identified in the contract for: (1) Registering, processing, accounting for, managing, overseeing, and keeping appropriate records of personnel performing private security functions; (2) Requesting authorization of and accounting for weapons to be carried by or available to personnel performing private security functions; (3) Registering and identifying armored vehicles, helicopters, and other military vehicles operated by employees performing private security functions; and (4) Reporting incidents in which personnel performing private security functions: discharge a weapon; are attacked, killed, or injured; kill or injure a person or destroy property as a result of conduct by contractor personnel; have a weapon discharged against them or believe a weapon was so

discharged; or employ active, non-lethal countermeasures in response to a perceived immediate threat.

The information provided in accordance with FAR clause 52.225-26 is used to ensure accountability, visibility, force protection, medical support, personnel recovery, and other related support can be accurately forecasted and provided to deployed contractors, as required.
